Tickets £8 from Brian or the Theatre box office

Current proposed weekend arrangements for visitors considering a week-end stop-over.

On **Friday 27th** we are having a meet and greet Charity concert, with a faith supper, at my normal venue, Christchurch Church Hall, Christchurch Rd. Oxton, Birkenhead.

The format is as follows: Hall available from 6pm for those wishing to meet and greet friends, display JD information and artefacts, have a cup of tea etc.

The concert will run from **7.30pm to 10.30**, with Brian Lupton hosting and performing a mixture of JD and other songs. The majority of the concert will be available for local singers and any FoJD members who would like to contribute by singing or reciting any entertaining poetry, belly dancing etc. i.e. let's have a light hearted fun night.

Admission is by ticket at £4 from Brian, plus if possible a contribution to the faith supper i.e. some butties, cakes, pudding, crisps etc. Bring enough for yourself plus a little extra for those who forget/struggle with time, like those travelling to the concert straight from work.

Tea and coffee will be available, as there is no on site bar bring any other drinks and glasses you require, (mine's a whisky and lemonade).

Saturday sights see the Wirral and Liverpool. (Contact local tourist boards for info/hotels etc.)

Saturday at 4pm, a meet and greet meal at The Bridge Inn Port Sunlight for those interested.

A basic menu has been suggested to make ordering and payment easier.

Starters from-- soup, pate, Prawn cocktail, Breaded mushrooms and dip. (All £2.99)

Main course from-- Roast dishes—Beef, Lamb, ½ Chicken. Gammon and chips with egg or pineapple. Vegetarian option on the night. Salmon with sauce and new potatoes. All choices include appropriate vegetables. (All £6.99)

Deserts from-- Profiteroles, Ice cream, Chocolate fudge, Sponge pudding. (All £2.99)

Coffee pot £10 (15 persons) or £1.50 per cup per person. (To be ordered on the night.)

I am hoping to organise a **Sunday morning** church service with some JD input at a local Bromborough church where the vicar and his wife are staunch JD fans. This service could be followed by a farewell meal and/or drink, probably at the Bridge Inn.

The only parts of the suggested itinerary that are fixtures are the concerts; the remainder is dependent on support and demand. Any ideas and suggestions regarding any part of the itinerary/menu, timings, etc will be gratefully received and considered.

Tickets and food will need to be ordered and paid for in advance. (I'm happy to co-ordinate this) Anyone wishing to participate please contact me ASAP.

Thanks, Brian Lupton Tele, E mail above.
