Dear Christine

On behalf of the Trustees of Forever Angels UK I would like to say a very huge thank you for your amazing donation of £800 raised by 'Friends of John Denver'. We feel very privileged to be supported yet again by your group and once more, I can assure you that all of the money will be used for the direct benefit of the babies at Forever Angels Baby Home in Tanzania.

Please could you also once again, extend our thanks to all of the members of your special group, but especially to Irene and Tony who I believe nominated Forever Angels, and also to Rosemary Campbell for the CAF cheque. It is so heartening to know that John Denver, himself had such a close link to the African children, and also wonderful to hear that you sponsor a young boy in Tanzania.

I can honestly say that Forever Angels is a truly amazing place. The children are all well loved, fed, cared for, and constantly played with. My youngest daughter Amy who set up and manages the Baby Home, assisted by her Staff and Volunteers do a wonderful job. As you can imagine with 49 children it is very noisy and busy, but so lovely to see how these children have progressed since they first arrived.

I hope that you are able to access the above web site, which is very informative and updated regularly. You will also see some very cute pictures of our 'angels'.

Thanking you once again, I am totally overwhelmed at the fantastic amount that you have so kindly donated to help support Forever Angels.

Yours truly,

Val Lithgow
